

F-Series Diamond Disc Selection

9 Segment 30# Hard Bond - White

- General purpose grinding
- Medium to soft concrete
- Some ceramic tile adhesives
- Great all rounder
- Safe option to send out with any grinder

3 Segment 30# Hard Bond - Orange

- Paint and glue removal
- 3 Segment discs follow the contour of the floor and reach low spots
- Discs with more than 3 segments flatten floors better

8 Segment 16# Soft Bond - Black

- Medium to hard concrete
- Thin glue removal
- Carpet layer and tiler preparation
- Coarse aggressive grinding

Purple PCD
Thick glue & membranes

Dark Red
Agressive removal of soft concrete

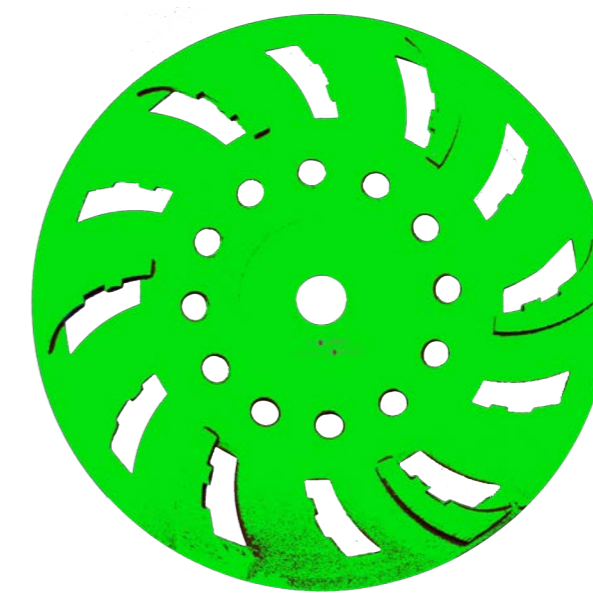

Grey
